

SoCal #1 - 9/15/12 @ NHYC

The conditions for SoCal #1 were light and variable. 8 races were sailed in roughly 3-5kts. of breeze today. High UV and heat index was reason enough for the sailors to hop in and cool off in between races.

Big thanks to the volunteers today: Leslie Bubb and Steve Mather on RC, Robert Bents and Jeff Krauss on markset, and Brad and Victoria Roach for heading up the registration.

We had 26 boats total. Congratulations to 1st Place - Sean Segerblom and Davis Clement from NHHS, 2nd Place - Andrew Person and Michael Sabourin from NHHS, and 3rd Place - Adam and Nora Elsharhauy. Great sailing to everyone out there today.

See you all at the next one at BYC November 10th!
